

Ann Massey, Tom Lea featured at Adair Margo Gallery

Ann James Massey

Photos by Stacy Kendrick

The Adair Margo Gallery kicked off a double exhibition of works by Ann James Massey and Tom Lea, with a reception March 3. The exhibit will be on view through April 21.

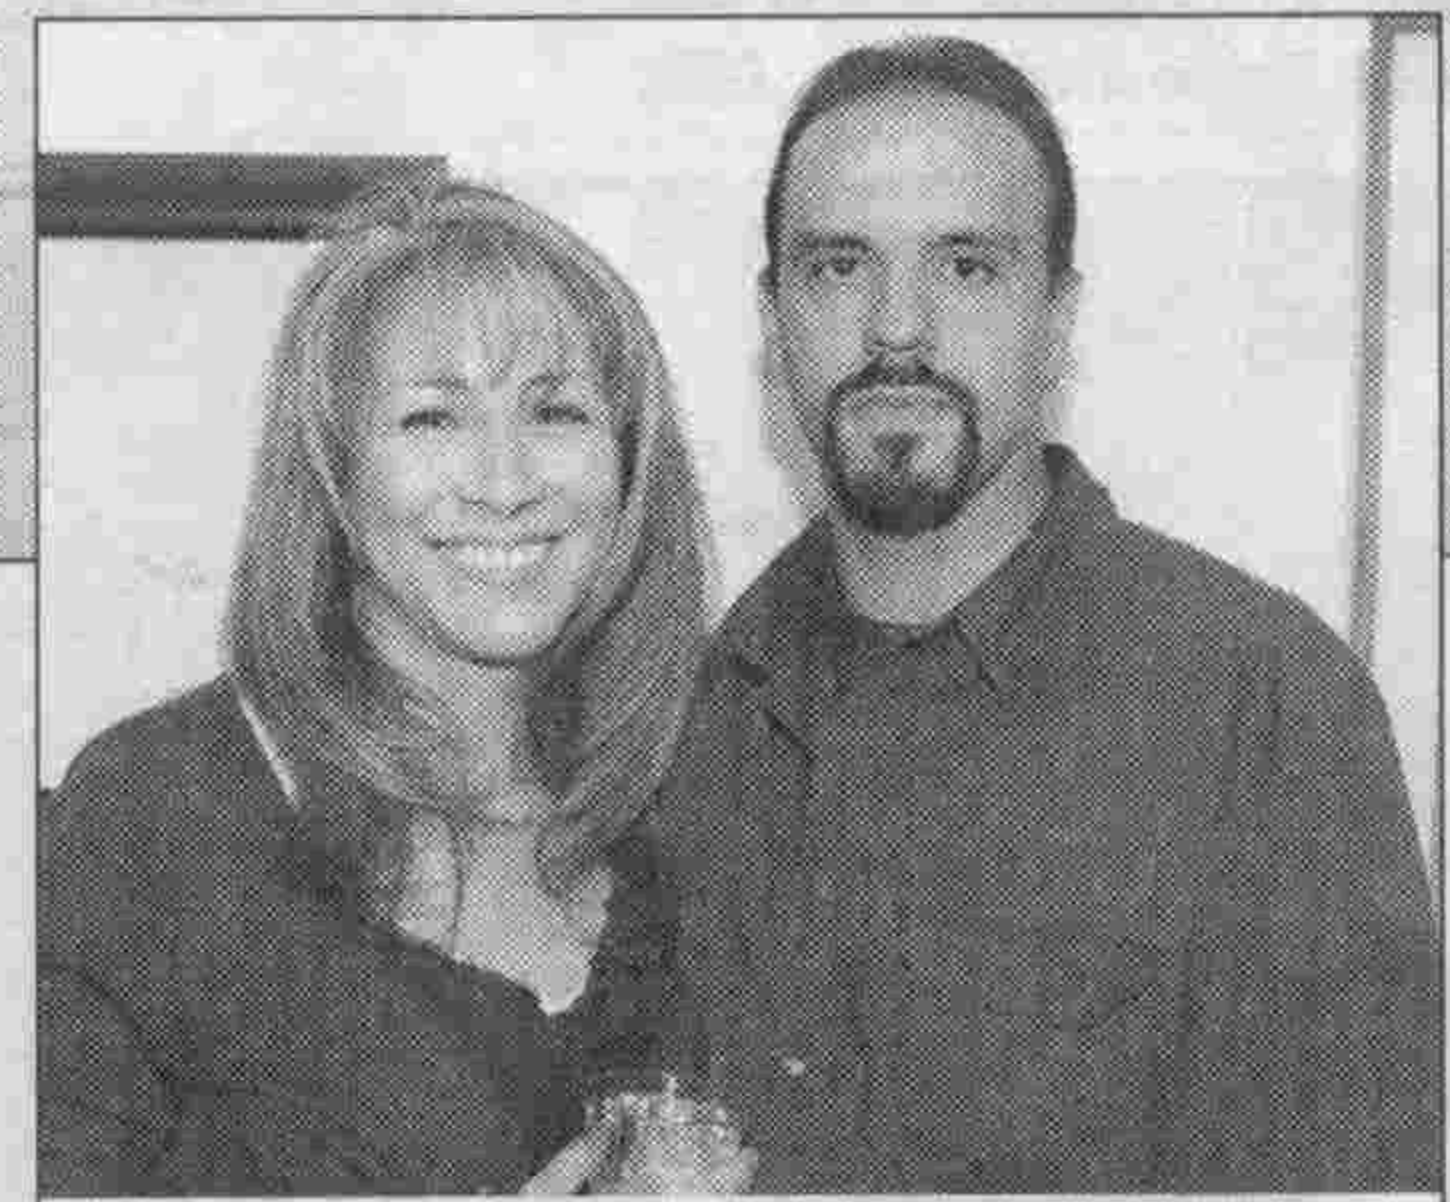

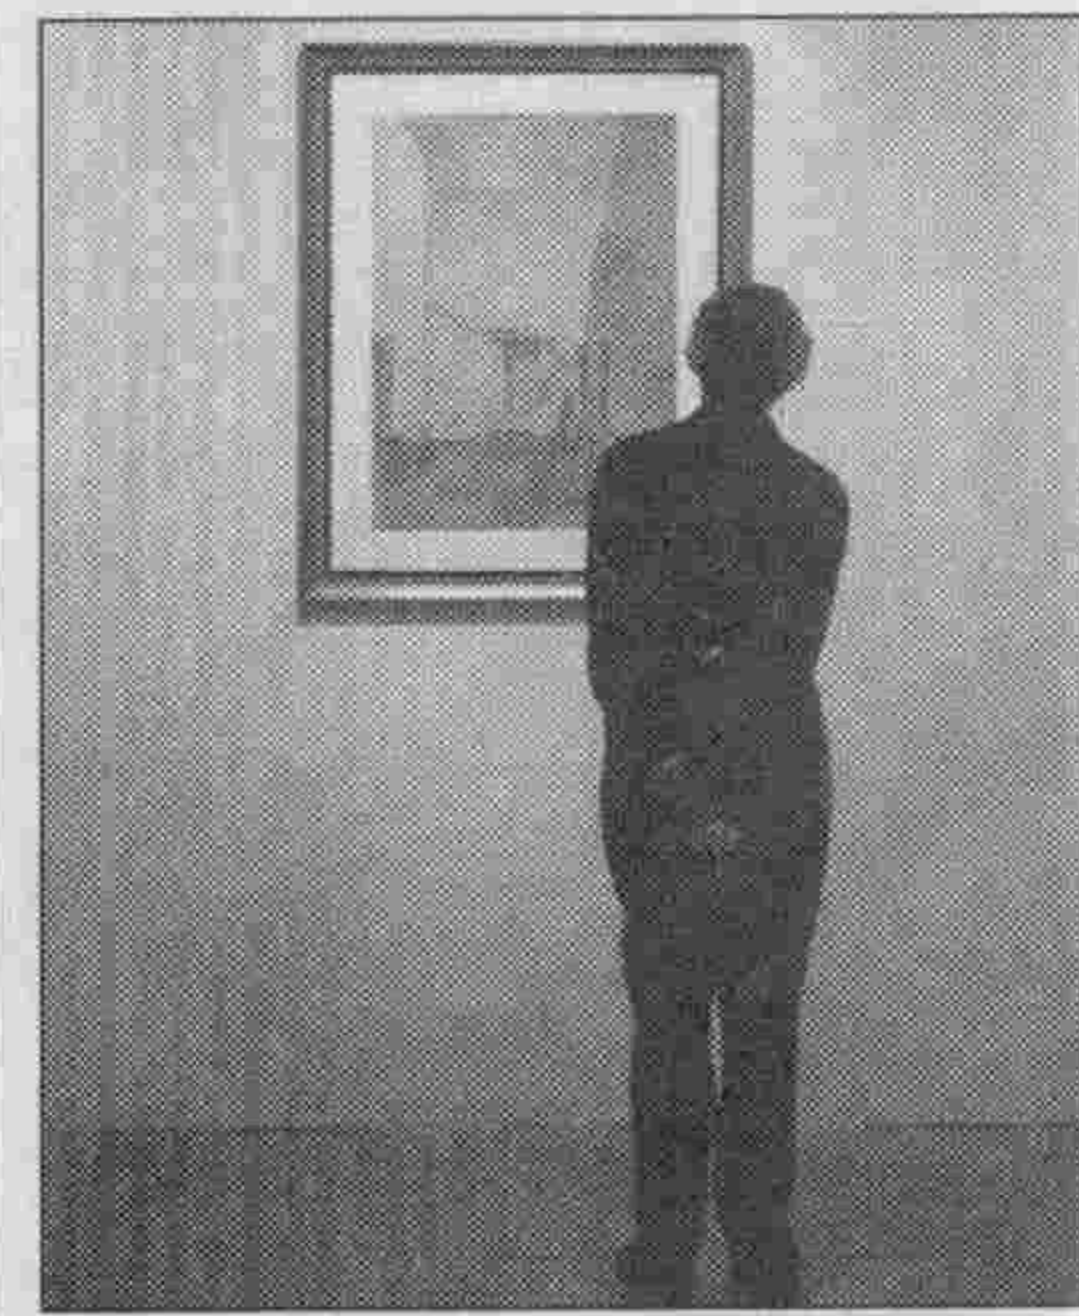

The combination of "Tom Lea Drawings: Abstraction and Realism" and "Impressions of Life: Drawings by Ann

James Massey" brings the work of two highly skilled technicians together for the first time, providing viewers an opportunity to experience the dynamic legacy passed between artists of differing generations.
